Inviting all ladies to join us for our Rifle Clinic/Practice. We welcome all levels of shooters whether you are a beginner or an experienced shooter and want to have fun learning with other women. Practices will focus on basic rifle knowledge, basic shooting positions, scope sighting in, and marksmanship. Please bring 100 to 200 rounds of ammo, eye protection and electronic ear muffs. If you have a bench rest shooting bag and/or shooting mat please bring. Targets will be provided. If you do not have a rifle, let us know, and we can arrange for you to borrow one of ours for a $5 fee (you must purchase ammo from us if you are using one of our rifles). Our experience instructors will make you comfortable, build your confidence and make you a more competent shooter. Upon arrival to the range, please make sure your firearm is unloaded and in a case.
